**DigiSpice Technologies Limited reschedule Zoom Webinar
to discuss its Q4 & FY22 Results
Friday, June 3, 2022 at 4:30 PM IST**

DigiSpice Technologies Limited, a leading player in the FinTech and Digital Platforms and Solutions segments, has rescheduled the zoom webinar for investors and analysts to Friday, June 3, 2022, at 4:30PM IST.

The Company operates in the rural FinTech space through its subsidiary, Spice Money. Spice Money is supported by a huge network of over 1 Mn+ Adhikaris (Kirana stores/ Entrepreneurs spread across small towns and villages in more than 700+ districts) who use Spice Money App to serve a base of 100 Mn+ consumers. Spice Money's focus is on innovating a range of customer centric products and scaling its reach to support its mission of digitally and financially empowering 10 million rural entrepreneurs.

Through its Digital Telecom Services and Digital Enterprise Services segments, DigiSpice offers products and services to telecom operators to deliver audio, video and other multimedia content over the internet and a CPaaS delivery model for enterprises to seamlessly integrate their own and third party applications and enable them to add real-time communication capabilities, respectively.

The senior management team will address the call which will be initiated with a brief management discussion on the Q4 & FY22 results declared on Thursday, May 26, 2022, followed by an interactive Question & Answer session.

Kindly note that the Company will be hosting a Zoom Webinar, the details for which are shared below.

Details of the Zoom webinar are as follows:

Please log into the webinar 5-10 minutes prior to the scheduled start to ensure that you are connected in time.

Date & Timing : 4.30 PM IST on Friday, June 3, 2022

Click here to register for the webinar : [Webinar Registration Link](#)

After registering, you will receive a confirmation email containing information about joining the webinar.

Please note registration is compulsory.

About Us:

DigiSpice Technologies Ltd. is a leading player in the FinTech and Digital Platforms and Solutions Industries. It has three distinct businesses, FinTech Business (Spice Money), Digital Telecom Services and Digital Enterprise Business (Korero Platforms).

Spice Money is a leading and profitable rural FinTech player in India. Using its robust technology infrastructure, Spice Money offers various financial services including enabling people to transact with their bank accounts at a nearby Kirana store in a quick, convenient, and cost-effective manner through its vast network of over 1 mn+ Adhikaris, the contact points for the consumers, across small towns and villages in 700+ districts. Besides cash withdrawal, deposit and remittance, the consumers access multiple services like bill payments, travel ticketing, insurance, government services, etc.

In the Digital Telecom Services, the company offers products and services to telecom operators to deliver audio, video and other multimedia content over the internet through adaptive user experience, state of the art content management systems and strong content delivery mechanism for a rich digital experience.

With the Digital Enterprise Services business, DigiSpice Technologies offers a CPaaS delivery model for enterprises to seamlessly integrate their own and third party applications and enable them to add real-time communication capabilities such as SMS, Voice, email, WhatsApp, push notification, web notification and in-app notification. It helps enterprises enhance their CX with the help of adoption of new age technologies, digital transformation and automation.
